To whom it may concern.

Dear Sirs,

I am delighted to recommend Collinson Fencing Limited, under the directorship of Christopher and Stephen Grant, as a dependable, reliable and professional company whose services I have called upon on many occasions.

During the term of my 15 year Contract with London Underground Limited, I employed Collinson Fencing exclusively to carry out all aspects of security fencing and line side scrub clearance, all of which was carried out to the highest standard and always within the tightest Health and Safety requirements as expected by London Underground Limited.

Yours faithfully,

Robert E Williams  
For and on behalf of Beechenlea Management Ltd.
