Hi
Thanks for sorting out the cleats seems fine now!

Quite happy to make a comment something along lines below??

We needed a fence that was secure but also would be sympathetic to the woodland surroundings. We are very happy with the outcome, and the work was done quickly and efficiently taking account of all our needs.

Thanks again

Neal.

Morning Neal,

Chris popped in there yesterday to add a couple of angle cleats to the gates.

Let me know if all ok.
